

MR3003-3

Appln. No. 10/760,415

Reply to Office Action of 4/29/2004

AMENDMENTS TO SPECIFICATION

After the last page of the specification and claims, please insert the following Abstract paragraph:

ABSTRACT OF THE DISCLOSURE

An illuminating design housing which may be transparent or semi-transparent is provided wherein a lamp bulb is located at a lower portion of the housing and emits projected light through the housing to provide visual effects and permits location of objects contained within the housing.
